We do not require a deposit for orders (only geese.)

If you need any help deciding on your requirements please telephone or visit the shop and we will be able to help, due to the enormous amount of emails we receive this time of year it is easier to speak to one of our helpful staff.

Terms & conditions

All meats are subject to availability and certain weights may not be available due to the nature of free range animals.

Home deliveries will be suspended between 20th of December and 2nd of January.
